

# Recommended Retailers

**DIRECTIONS:** Some companies are known for treating their workers well, while others don't have great track records. Using the questions and chart below, your group will research the corporate social responsibility (CSR) efforts of a popular clothing store. Then, you'll combine your findings into a class list of recommended retailers!

- **What is corporate social responsibility? Research it online and summarize your findings.**

<b>Our Retailer:</b> <hr/>	<b>Working Conditions</b>	<b>Environmental Impact</b>	<b>Additional Efforts (charity work, social campaigns, etc.)</b>
<b>What They Say</b> (Information found on the company's site)			
<b>What the Media Says</b> (Information from credible sources)			

- **Based on your findings, is this a brand you would recommend to others? Defend your answer using at least two specific points from your research.**
